

Tiny Tots (Sisu Sansara) Guidelines

40th OSA Convention - 2009 NJ/NY

Sisu Sansara is a free/open stage program for our young artists between the age of 3 and 8 years, who can dance, sing, recite a poem, tell a story, play an instrument or do anything creative. This is not a competition; however the time limit for each performance is maximum of 3 minutes. All they need is a moral boost and a great clap from the audience. This event will be on a first come first serve basis, because of the time limit.

The participation request has to be sent to shibanipadhi@gmail.com or osa09cultural@osanynj.org .

Please send the participant's full name, age and a brief description of what he/she is going to perform.

Registration:

No special registration is required. However, each participant must be registered for the OSA convention individually or through family registration.
